Syyskukkia socks

Introduction

Syyskukkia (Autumn Flowers in English)are knitted toe up and pattern is written for magic loop technique for one sock at a time. You can use also dpns or short circulars if you want. I have used sport weight yarn, which is lovely and cozy for winter socks. They come in one medium size to fit around size EU 38 feet. Happy knitting!

Materials

Tukuwool Sock 100 g (80 % wool, 20 % nylon, sport weight 160 m / 50 g)

3 mm needles

Size medium, 20 cm finished foot circumference

Gauge 25 sts, 40 rows in stockinette for 10 cm

Pattern

Using your preferred method (I like Judy's Magic Cast-On), CO 18 sts, and divide equally between the 2 needles.

R 1: knit all sts. **Note: stitches worked over the first needle are in brackets!**

R 2: (p 1, k 3, yo, p 1, yo, k 3, p 1), k 4, yo, k1, yo, k 4.

R 3 - 5: (p 1, k 3, yo, purl the next yo through the back loop, purl to the yo and purl it through the back loop, yo, k 3, p 1), k 4, yo, knit the yo through the back loop, knit to the yo, knit it through the back loop, yo, knit to end. = 17 sts on each needle, 34 sts total.

R 6: (p 1, k 3, purl the next yo through the back loop, purl to the yo and purl it through the back loop, k 3, p 1), knit all sts, knit yarn overs through the back loop. (no increases)

R 7: (p 1, k 3, yo, purl to the last 4 sts on the needle, yo, k 3, p 1), k 4, yo, knit to the 4 sts on the needle, yo, knit to end. (2 sts increased on each needle)

Repeat rounds 6 and 7 another 5 times, you have now 29 sts on

each needle, 58 sts total.

Start working the chart with needle 1 and knit all sts on the needle 2. Work as set until the foot is 4 cm shorter than required. Work short row heel at this point. I use German short rows in this pattern.

R 1: Knit chart with the first needle, knit to end of needle 2. Turn work.

R 2: yo, sl 1 and pull tight. Purl to end.

R 3: yo, sl 1 and pull tight. Knit to the end until the double sts of the last row. Turn work.

R 4: yo, sl 1 and pull tight. Purl to the end until the dsts of the last row. Turn work.

Repeat rows 3-4 until you have 10 dsts at each side and 9 sts in the middle. Work one round and remember to knit dsts as one st from needle 2 when you come to them, and work pattern from the needle 1. Once you have knitted the second group of dsts at beginning of needle 2, k 10, turn work.

R 1 (WS): yo, sl 1, pull tight. Purl 10, turn work.

R 2 (RS): yo, sl 1, pull tight. Knit until you come to the dst, knit the dst and then the next st, turn work.

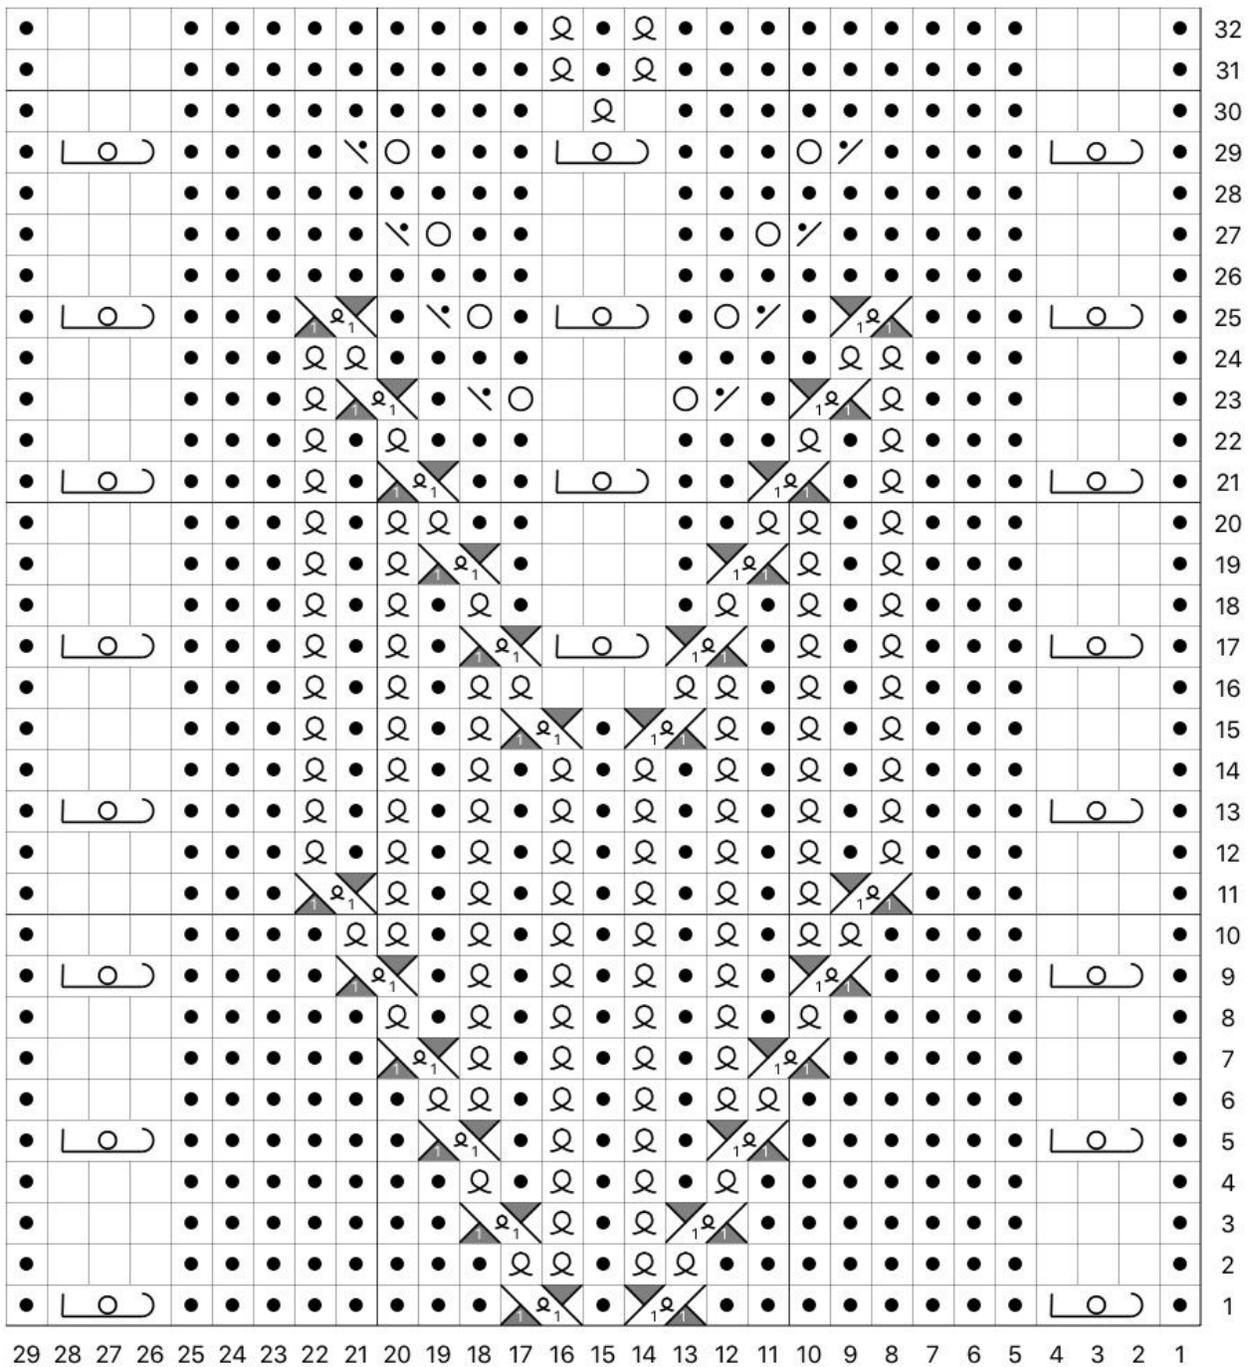

R 3: yo, sl 1, pull tight. Purl until you come to the dst, purl the dst and then the next st, turn work.

Repeat rows 2-3 until you have worked all stitches from needle 2, turn work. Continue working the pattern on the needle 1 and

knitting stockinette on needle 2 until you have worked the chart a total of 3 times. Work twisted rib (k1 tbl, p1 tbl) 15 rounds. Bind off stitches and sew in the ends. Wash gently and block.
